Let Them Ride, Learn, and Lead This Summer

At Nasr Polo Horse Riding Club, we believe summer is more than a season-it's an opportunity for young minds to grow, connect, and thrive. Our summer camp is designed to offer much more than just horse riding. It fosters discipline, builds confidence, and teaches responsibility through the powerful bond between rider and horse.

Each day at camp, youngsters experience the thrill of learning horsemanship while gaining life skills that extend far beyond the stables. From teamwork to leadership, they discover their potential in a supportive, nature-rich environment.

Our dedicated trainers and staff ensure every child feels encouraged and empowered, whether they're riding for the first time or refining their skills. The friendships formed and memories made here often last a lifetime. We invite parents to give their children a summer of purpose, adventure, and self-discovery. Let them ride with passion, learn with joy, and return home with stories of growth and achievement.

Nasr Polo Summer Camp 2025: A Perfect Start for Young Equestrians

Nasr Polo kicked off its highly anticipated **Summer Camp 2025** in April, offering a month-long immersive experience for young riders. Tailored for children below 13 years of age, the camp is designed to provide a comprehensive introduction to the world of equestrian sports, combining daily riding lessons, horse care, and confidence-building activities.

The daily riding sessions form the backbone of the camp, with one session each day led by skilled instructors. These sessions cater to all levels, with a focus on beginner-friendly training. Campers will learn the basics of riding, including crucial aspects like balance and posture, ensuring that each child gains a solid foundation for their riding journey.

Alongside riding, the camp includes horse care lessons, where young riders will be taught the essentials of grooming, tackling, and understanding horses. These lessons aim to foster a deep connection between the rider and their horse, emphasizing the importance of care and empathy in the equestrian world.

A key component of the summer camp is confidence building. Through structured lessons on discipline, patience, and responsibility, children will not only enhance their equestrian skills but also develop essential life skills that will serve them well beyond the stables.

At the end of the camp, each child will receive a certificate of participation, recognizing their achievements and progress over the course of the month.
